### Naturelle - Luxurious Latex Pillow

Designed for all sleeping positions and physiques, the all-natural, high-quality Naturelle Latex pillow conforms to the shape of your head and neck to provide continuous support throughout the night.

Made of natural latex, from the rubber tree This is the LATEST in comfort for Headache & Migraine Sufferers, these wonderful pillows never require fluffing, maintain their shape and provide maximum air flow, preventing moisture and heat build-up.

One week of daily harvesting from 30 rubber trees produces enough latex for just one pillow!

Sumptuously soft, wonderfully supportive

Without doubt, the world's best latex pillow!

&mdash; Won't sag or flatten

&mdash; Will not lose their loft or original shape

&mdash; Extremely durable and elastic

&mdash; Orthopedic shaped pillow

&mdash; Encourages better posture

&mdash; Hypoallergenic, anti-bacterial and dust mite resistant

&mdash; Dust free

&mdash; Open-cell honeycomb construction

&mdash; Breathable

Special core construction - it 'breathes', no sweat!

Illustration of the cores in the surface of the Naturelle Latex Pillow Hundreds of tiny cores have been created in the Naturelle pillow to allow air to flow for a more hygienic sleep environment.

These cores, averaging half a centimetre wide, also enhance the pillow's luxurious 'feel' as well as providing even pressure dispersion.

#### Pure and Natural

The Naturelle pillow is produced from pure natural latex - harvested by tapping the milk (sap) of the small tropical tree *Hevea Braziliensis*. No Chemicals are needed to stabilise the rubber, and the intrinsic colour is also retained. More about Latex rubber production.

Latex is bio-degradable, naturally!

Our latex is non-toxic and contaminant-free, its natural properties inhibit bacterial and fungal growth, and it provides an inhospitable environment for dust mites. Latex is a renewable and sustainable resource.
