

Our Guarantee

"At MigraineCentre.com we aim to provide you, our valued client and fellow migraine/headache sufferer, with "World Best Standards" products, in order for you to finally master or control your condition. We believe that by purchasing our products and following the guidelines in our ebook "Mastering Migraine...or How To Control The Monster Within..." you are exposing yourself to a preventative maintenance program and the high probability of never or rarely suffering from serious headaches and migraines again.

'In fact, if you are still in any doubt... then here is our 'Rock Solid, Pull No Punches, No Nonsense, Sixty Day, Money Back Guarantee'...

That's right...You have a full 60 days from the time you take delivery of your Migraine Centre Flex-Ice Cold/Hot Pack, or Migraine Centre Therapeutic Pillow to test and assess your investment in a very effective and inexpensive method of preventative maintenance!

We are so confident in our range of therapeutic pillows and cold therapy packs, that we will give you a full refund (less shipping)...should you decide, for whatever reason, up to sixty days from the time you take delivery, that if you have not improved your pain management and preventative maintenance and have received no relief whatsoever from your present painful migraine attacks! Please note that before a refund can be issued, we must receive the item, (therapeutic pillow or Flex-Ice cold pack) back at our Australian head office, in an 'as new' condition.

Why are we so confident? The answer is quite simple. Everything we promote or sell on this website has been proven to work for many people including ourselves.

You are warmly invited to leave a comment, either positive or negative, on our 'Contact Us' page, in regard to your purchase or your experience with your visit to this website. It is mainly through client feedback that we are able to improve and continue to move forward".

Thank-you.

The MigraineCentre.com team.
