

Vitamin B2 100mg

Pack Information : 100 Capsules

Bottle Dosage

1 tablet daily with food

Caution

Always read the label. If symptoms persist consult your healthcare practitioner.

Vitamin B2

Vitamin B2 plays an important role in protein and energy metabolism. It acts as a co-enzyme in the body's energy producing reactions and is a nutritional supplement for maintaining cognitive functions such as concentration, normal mood and verbal memory in healthy elderly.

Therapeutic Use

To assist with the reduction in frequency of migraine headaches.

Active Ingredients

Each tablet contains: Vitamin B2 (riboflavine) 100mg

RRP: \$14.97
